ZONE TRACK SPOT DESCRIPTION

ZONE: Each Division is divided into a series of Zones, each individually numbered.

TRACK: Each Track in a Zone will have a unique number assigned to it.
(NOTE - there may be more than one industry on any given track).

SPOT: Will further define the location a car is to be placed (if more than one patron is located on any given track, the Spot will further define the patron's exact location).

OTE: While all above patrons' are on one track, they are separated by unique spot numbers.
